

## AFL Blasts 81st Congress

### Says It's No Better Than Last One

Cleveland, May 17—(AP)—The AFL leadership today expressed the opinion that the two party system in congress is dead.

In its place, the labor bosses said, there is "a tug-of-war between reactionary forces from both parties on one side and liberals from both parties on the other."

"On many vital issues, the pulling and hauling between these contending forces has resulted in a stalemate," said President William Green after a three-hour political meeting of union heads. They were angry at failure of congress to repeal the Taft-Hartley act after four months.

**Demos Same As GOP**

"It becomes clear, therefore, that a sizeable majority for the Democratic party in the 81st Congress offers labor scarcely any greater comfort than the heavy majority the Republicans had in the 80th Congress," the AFL leaders said.

"What organized labor and the country as a whole needs is a large majority of liberals in congress, regardless of what their party affiliations may be."

To this end, they said, the AFL's political league "will dedicate its efforts in the 1950 campaign."

Green and his colleagues here for a meeting of the AFL executive council and the political league's 30-man administrative committee, said:

"We are faced with the fact that our efforts in the 1948 campaign accomplished only a partial victory and that we must make certain to complete the job in 1950 if we hope to gain the objective of good, progressive government in America."

**Cannot Feel Safe**

"Even if congress repeals the Taft-Hartley act before adjournment of the present session, and enacts a new labor-management relations law satisfactory to labor, the workers of this country cannot feel safe and secure while reactionary forces are able to muster such strength in congress as was manifested in the roll-call vote on the Wood bill in the House of Representatives a few weeks ago."

The measure, sponsored by Rep. Wood (D-Ga.), was offered by Republicans and some southern Democrats as a substitute for the Truman administration's bill to repeal the Taft-Hartley act outright.

Green told a news conference after the political session that the AFL was "not disappointed in President Truman."

The 75-year-old AFL head insisted that his organization will oppose the use of injunctions in national emergency strikes. Instead, the AFL is willing to subject to government seizure of plants and mines.

**Large Cities Not Exempt From Bill To Ban Fast Time**

Springfield, Ill., May 17—(AP)—The House refused today to exempt Chicago and some other cities from a bill to outlaw daylight saving time in Illinois. The bill was advanced for a passage roll call later.

The measure by 18 House members would make Central Standard Time official for the state and require business houses and public offices to use it. It would void any conflicting local ordinances.

By a 70-66 vote, the House today rejected an amendment by the Democratic leader, Rep. James Ryan of Chicago, to exempt Chicago or any other city where voters favored daylight time in a referendum.

**Company Reports Pullman Conductor Dispute Settled**

Chicago, May 17—(AP)—Settlement of a dispute which had raised the threat of a strike of Pullman conductors was announced today by officials of the company and the union.

A. G. Wise, general chairman of the Order of Railway Conductors for the Pullman system, and J. P. Leach, assistant vice president of the Pullman company, made the announcement.

They said agreement was reached after weeks of conferences with federal mediator T. E. Bickers.

As a result of the dispute a strike of Pullman conductors was called for March 31. It was put off when the National Mediation Board intervened.

The controversy was over the interpretation of certain working rules which govern the duties, hour and certain other conditions of employment, and sometime affect a worker's pay.

## PTA HEADQUARTERS TO BE BUILT IN CHICAGO

St. Louis, May 17—(AP)—The assembly of the National Congress of Parents and Teachers voted today to erect a headquarters building in Chicago.

Site and date for the project were not announced and plans for the structure are still to be drawn. Cost of the project was estimated unofficially at about \$500,000.

Present headquarters are in rented space at 600, South Michigan boulevard.

## Mrs. Rutledge Says Husband Was Hurt When He Returned

Cedar Rapids, Ia., May 17—(AP)—The focus in the murder trial of Dr. Robert C. Rutledge, Jr., of St. Louis shifted this afternoon to mid-December of last year when his wife alleged "seduction" met death here.

Earlier, cross-examination of the 28-year-old doctor's wife Sydney had brought forth a defiant denial that she ever said the "affair" which culminated in Byron C. Hatman's fatal knife wound was partly her fault.

The 23-year-old woman said her husband bore marks of a struggle when he returned from Cedar Rapids last Dec. 15 after coming here to see Hatman.

(Hatman, an engineer in the St. Louis firm where Mrs. Rutledge also worked, came to Cedar Rapids periodically on business.)

Mrs. Rutledge said her husband's eye was black, his lips and face were swollen, and there were knife cuts on his hands.

**Railroad Unions Uphold White Only Membership Policy**

Washington, May 17—(AP)—Spokesmen for two of the big railroad brotherhoods upheld their "white only" membership policy to a House committee today.

But the brotherhoods were called "a travesty on the name of brotherhood" by Rep. Powell (D-NY) in the course of cross-examination, which frequently was sharp.

Powell, negro chairman of a House labor subcommittee, called the brotherhood representatives to testify on charges that the big railroad operating unions discriminated against negroes and were even trying to drive them off the railroads.

The committee is hearing testimony on the administration bill to set up a fair employment practices commission (FEPC) to bar job discrimination because of race, religion or color.

Testifying were Harry See, national legislative representative of the Brotherhood of Railway Trainmen; Jonas A. McBride, vice president of the Brotherhood of Locomotive Engineers and Firemen; and Charles Houston, general counsel for the Negro Railway Executives Committee. It was Houston's charges before the committee last week that caused Powell to call in the brotherhoods.

**APPOINTMENTS CONFIRMED**

Washington, May 17—(AP)—The Senate today confirmed Robert E. Tahan as United District Judge for the eastern district of Wisconsin.

The Senate also confirmed Joseph L. Wisniewski as United States marshal for the eastern district of Michigan.

Both actions were by unanimous consent.

**606 TRAFFIC DEATHS**

Springfield, Ill., May 17—(AP)—There were 606 motor vehicle traffic deaths on Illinois highways during the first four months of 1949. This is 15 per cent fewer than the first three months of 1948. The April, 1949, total of 127 was down 18 per cent, the highway division said today.

**HUNTER KILLED**

Lawrence Marques, Mozambique, May 17—(AP)—Last Monday Joao Porto, big game hunter, killed five buffaloes and wounded a sixth. Today Porto hunted in the same area. The wounded buffalo charged from his hiding place in the bush and sored Porto to death.

**Truman Admits Losing Wallgren Appointment**

Washington, May 17—(AP)—President Truman acknowledged defeat today and withdrew the nomination of his old associate, Mon C. Wallgren, to the \$14,000 a year chairmanship of the National Security Resources Board.

It has been stalled beyond budgeting for nearly three and a half months in the Senate Armed Services Committee.

Mr. Truman withdrew the nomination at Wallgren's own request. As late as a month ago, the President told a news conference he had no intention of pulling it back.

Senator Byrd, Virginia Democrat, joined the six Republicans on the committee March 15 in tabling the nomination—a procedure that held it in the committee and forestopped any possibility of Senate action.

"I want you to know that my faith in you is undiminished," Mr. Truman told Wallgren, former Washington State governor and his longtime associate in the Senate.

Wallgren wrote Mr. Truman "I am convinced that even though we went to go and win this battle, the evident political opposition to my appointment would work to the detriment of the national security."

The board was established under the National Security Act of 1947. Its duty is to plan for prompt mobilization of the nation's civilian and industrial facilities in the event of war. Arthur M. Hill, West Virginia business executive and a Republican, was its first chairman. After his resignation, and while Wallgren's appointment was in abeyance, the acting head has been John R. Steelman, executive assistant to the President.

Shortly after Mr. Truman sent Wallgren's nomination to the Senate February 7, Senator Cain (R-Wash.) attacked the appointment and criticized Wallgren's capacity for the assignment. In addition to saying that Wallgren was not competent for the post, Cain charged that as governor he had been "soft" toward communists. Wallgren denied the charges.

## U.S. Judge Rules Eisler Forfeited \$20,000 In Bonds

Washington, May 17—(AP)—A federal judge today ordered the forfeiture of \$20,000 in bonds posted by communist Gerhart Eisler.

A stay-in-jail bench warrant for the arrest of the fugitive red leader if and when he is extradited from England also was issued by U. S. District Judge James W. Morris.

Judge Morris signed orders declaring that Eisler, who skipped the country May 6 as a stowaway on the Polish liner Batory, is ineligible for further freedom on bail while his appeals are pending in two criminal cases here.

The judge directed that Eisler, alleged former No. 1 communist agent the United States, be kept in jail until the appeals are disposed of.

The \$20,000 bond had been posted by the civil rights congress, an alleged communist front organization. An additional \$3,500 bond, posted in New York in connection with a deportation case against Eisler, was not affected by today's action.

**Senate Group Will Vote On Proposed Gas Tax Hike Soon**

Springfield, Ill., May 17—(AP)—An Illinois Senate committee has scheduled a vote for tomorrow night on a proposed five cents a gallon state gasoline tax.

The highways and traffic regulations committee decided today to go into executive session to consider the bill boosting the present three cent levy.

The action came at the conclusion of a two hour hearing where conflicting views were presented on how much money it would take to put Illinois roads into good shape.

William A. Dennison of New York, American Petroleum Institute economist, told the committee that no tax increase was needed if highway maintenance costs are trimmed and if counties match federal aid funds 50 per cent.

Dennison expressed the opinions of the Illinois highway taxpayers committee, a group of truckers, petroleum industry representatives, cab drivers and other highway users.

**Eastern Europeans Deny Russians Are Exploiting Them**

Geneva, Switzerland, May 17—(AP)—Representatives of eastern European nations rose one by one in the United Nations Economic Commission for Europe today and denied their homelands were being exploited by Soviet Russia.

They said everything is improving under "this new type of relationship" with Russia. A Hungarian said things are so much better in Hungary that food parcels are now being sent to help out western Europe.

The delegates were answering a speech made yesterday by Paul R. Porter, United States delegate to the commission. Porter said the Soviet Union was holding a strong hand on the economic development of its neighbors and exploiting them to the point of impoverishment.

**HOUSE WOULD STOP SHIPMENT OF TAX FREE CIGARETTES**

Washington, May 17—(AP)—The House passed by voice vote today a bill to stop an estimated \$40,000,000 a year avoidance of state cigarette taxes through mail order shipments from tax free states.

In the debate several members referred to the mail order business as "cigarette bootlegging." Others defended it as a legal, lawful business. Thirty nine states have cigarette taxes.

The bill would require that any person selling cigarettes in interstate commerce to any person other than a regular licensed dealer in a state which taxes the smokes, must report the sales to that state's tobacco tax administrator.

Interstate shipment of cigarettes from non-taxing states has grown into a multi-million dollar business. The bill would impose a penalty of not more than \$1,000 fine and six months imprisonment.

**Arthur Godfrey Tops CBS Payroll With \$440,514.16**

Washington, May 17—(AP)—Arthur Godfrey, radio and television star, was paid a top \$440,514.16 last year by the Columbia Broadcasting System, reports to the Securities and Exchange Commission disclosed today.

News commentator Lowell Thomas was a close second with \$420,300. The salary figures showed CBS' President Frank Stanton was paid \$109,798.80.

The American Broadcasting Company, whose report was made available, paid its top performer \$180,229.40. The sum went to Don McNeill, star of the "Breakfast Club" program.

Paul Whiteman, ABC's musical director and vice president, received \$145,316.56 while Mark Woods, the network's president was paid \$75,000. The National Broadcasting Co. and Mutual Broadcasting System reports have not yet been filed with SEC.

**INDIA JOINS COMMONWEALTH**

New Delhi, May 17—(AP)—The constituent assembly today approved the London agreement for India's continued membership in the British commonwealth of nations. The vote was 156 to two.

## CIO Refuses Ford's Offer

### U.S. Refuses Loan To Franco Spain

Washington, May 17—(AP)—Spain suffered a second sharp setback today as officials said the United States has turned down Madrid's informal request for a multi-million dollar loan.

The development came less than 24 hours after the United Nations assembly rejected proposals for ending a diplomatic boycott of the Franco government.

Responsible administration officials said both the state department and the government's Export-Import Bank have refused to consider—at least for the present—the loan made by a visiting Spanish official.

The Spanish representative, Andres Moreno of the Banco Hispano-Americano, mentioned the figure of \$1,275,000,000 as the amount his country needs to carry out its overall reconstruction program.

Moreno was informed, these officials said, that Spain's present financial situation makes her a poor credit risk.

**House Filibuster Might Interfere With Legislation**

Springfield, Ill., May 17—(AP)—A filibuster against anti-crime bills, which had stalled business in the work-jammed Illinois House, sputtered out today. It threatened to resume tomorrow.

Rep. James J. Ryan of Chicago, House Democratic Floor Leader, said if the filibuster is continued another few days it would "seriously interfere" with action on Gov. Stevenson's legislative program.

Stevenson has called upon the Legislature to pass the crime legislation, which sponsors say would improve administration of criminal justice in Cook county.

"I don't know what will happen tomorrow," Ryan told reporters. "But four or five members could tie up the House for the remaining seven weeks of the session."

Rep. Andrew A. Euzzone, Chicago Democrat, tossed the monkey wrench into the House machinery Monday night with delaying tactics that lasted two hours.

**End Comes For Man Who Had Amnesia For Last 18 Years**

Baton Rouge, La., May 17—(AP)—The end has come for an aged man who had been trying for 18 years to remember who he was.

He was found dead on a railroad track Friday. How he came there is as hazy as the will-o-the-wisp of his memory.

Chief of Police Fred Parker identified him today as William Henry Lawrence, 76. Parker said the man was found in Jackson, Miss., in 1931 suffering from amnesia.

Lawrence later appeared on a radio network program, "We The People," seeking help to restore his memory and fix his identity.

He remained in a hospital until 1939 when he was released in custody of a Birmingham, Ala., family. Then he wound up here—on the railroad track.

**Dog Steals 'Coons When Pups Taken**

St. Petersburg, Fla., May 17—(AP)—Poochie has no puppies now—but she does have three baby coons.

To begin with she had ten pups. The last one was given away Sunday night by her owners, Dr. and Mrs. William Elise.

That must have broken her heart. But it did not smother her mother instinct.

Yesterday morning she was in the backyard mothering three baby raccoons.

Neighbors said they had noticed a large raccoon in a nearby palm tree and they suppose the mother coon is minus three of her babies.

## Would Have Put 97,000 Back To Work

Detroit, May 17—(AP)—A Ford proposal that would have sent all but 5,000 of the company's 102,000 strike-idled employees back to work within a few days was turned down today by the CIO United Auto Workers.

Ford suggested that the union call off its strike in all the sprawling units of the company's key Rouge plant except the "B" building. It also said the Lincoln-Mercury plant here could remain strike-bound.

The "B" building, otherwise known as the Dearborn assembly plant, and the Lincoln-Mercury factory are the only units in the nation-wide Ford industrial system directly involved in the UAW's charge of a production speed-up. They employ 5,000 men between them.

To back its speed-up complaint, the union struck the entire Rouge plant and the Lincoln-Mercury plant May 5. About 65,000 workers at the two plants walked out and 37,000 other Ford workers have been idled by resulting shutdowns since then.

Ford made the proposal as today's negotiating session got under way. Less than two hours later the union rejected it as "fantastic." UAW Secretary-Treasurer Emil Mazey called it "merely a variation of the old employer trick of divide and rule."

Mazey agreed that only 5,000 workers are involved in the "immediate dispute." But he said all Ford workers are "directly affected by it" basic principle of whether or not the company shall have the right to speed them up whenever it wants to.

All Ford workers, he added, will "stand solidly together in this strike."

**Made By Bugas**

The company's proposal was made by John S. Bugas, vice president in charge of industrial relations and head of Ford's negotiators.

Bugas said the strike was called over "a narrow issue involving scarcely five per cent of all our employees and only two of our many operations."

Union acceptance of the proposal, Bugas said, would have meant the immediate recall of 72,000 workers in the Detroit area and the call-back of 25,000 others in Ford assembly plants across the nation as soon as parts production could have been resumed.

Also, he added, supplier firms and Ford dealers which have laid off countless other thousands could have called their employees back.

Federal mediators meanwhile worked behind the scenes to determine whether they should actively intervene in the 13-day Ford strike.

Arthur C. Viat, regional director of the Federal Mediation and Conciliation Service, conferred separately with the company and union.

He talked with Mazey for more than an hour at UAW headquarters before today's peace talks. Later in the day he called Bugas into his office to discuss the strike.

**Suggests Salaries Of State Employees Parallel Expenses**

Springfield, Ill., May 17—(AP)—Governor Stevenson suggested today that the Illinois Senate consider gearing state employees' salaries to cost of living fluctuations.

Stevenson said in a letter he thinks the employees should get a 10 per cent increase as recommended in his budget.

"At the same time," the Governor added, "it seems to me both fair and reasonable to gear compensation in this period of post war adjustment to costs—just as the state's income depends on economic conditions."

The Democratic governor's letter, addressed to Senator John Parish (D-Centralia), was read by the Legislature to a committee of the whole meeting.

The Senate was considering proposed legislation to alter classifications of state jobs and provide for salary increases of at least 10 percent. It took no action on the bill however.

Budget Director T. R. Leth told the Senate the bill would cover 24,630 employees or 75 percent of those in state service. About 8,200 would not come under the bill.

**LARGEST SHIPMENTS**

Cleveland, May 17—(AP)—Iron ore, coal and grain shipments on the Great Lakes last month totaled 16,504,679 tons—the greatest April cargo ever hauled on the lakes, the Lakes Carriers Association said today.

The tonnage was 53 per cent ahead of April, 1948.

**FDR, Jr., Wins Election Over Tammany Hall**

New York, May 17—(AP)—Franklin D. Roosevelt, Jr., won a seat in congress tonight in a triumphant battle with Tammany Hall which his father fought early in his political career 35 years ago.

The lanky, handsome young scion of one of the nation's famous political families was the first of the late president's five children to run for office.

He piled up such a commanding lead in the 20th Congressional district special election that his Democratic foe conceded defeat an hour after the polls closed.

Roosevelt, running on the Liberal and Four Freedoms parties tickets after Tammany denied him the Democratic nomination, garnered 41,146 votes in the 20th district's 179,000-voter precinct.

Municipal Court Justice Benjamin H. Shallock, who got the Tammany assignment on that basis, Washington, D.C., said the Roosevelt campaign observers were sure such a victory would be forthcoming promptly.

## Draft Of Brannan Farm Bill Given To Congressmen

Washington, May 17—(AP)—A working draft of the Brannan farm bill went up to congress today, but there seemed little likelihood of action this year on the administration's double-barreled scheme to keep farmers prosperous while cutting the consumers' grocery bills.

With dozens of "must" measures stacked up in committees or on the crowded work lists of the Senate and House, the farm bill's priority appeared to be about triple-Z.

Secretary of Agriculture Brannan unveiled the plan early last month, but it does not appear to have attracted very broad support in either the House or Senate committee.

Several of the big farm organizations have come out against it, including the America Farm Bureau Federation and the National Grange. It has been endorsed, however, by the National Farmers Union.

The bill sets up a new income-price support formula, with a recent 10-year period as the base. This would replace the old parity formula which has been the government yardstick for measuring the returns farmers should receive.

**12-Inch Downpour, Flood Leaves Many Homeless In Texas**

Fort Worth, Tex., May 17—(AP)—Floodwaters from a 12-inch downpour left 13,200 persons homeless, four known drowned, and three missing today.

The figure on homeless came from a Red Cross survey. The flood, late-est result of a series of storms which ravaged parts of the Texas Panhandle and north Texas, cut off the city's water supply.

Two 500 gallon an hour water purification units were being rushed here from the army's Camp Hood. The state health department said it was sending 10,000 units of typhoid vaccine.

The high waters, rolling down the Trinity river, threatened the lowlands of Dallas, 30 miles to the east. Meanwhile another tornado lashed the Texas and Oklahoma Panhandles last night, killing a farmer in Oklahoma and injuring three persons at Stratford, Tex.

Four major levees broke here as muddy, debris-filled water rose rapidly in this city of 340,392 people, Texas third largest.

Every stream and arroyo burst its banks but the greatest damage was from the west from the Trinity river. The same river overflowed at Dallas, where the U. S. Weather Bureau warned a major flood threatened.

**US Informant Tells How He Upped Red Membership Drive**

New York, May 17—(AP)—A whistle-blower—actually a secret agent of the FBI—amused a federal courtroom today with a tale of how he snarled up red membership campaigns in Ohio.

Witness John V. Blanc of Euclid, O., told of setting impossible goals in communist membership drives and padding his own recruiting record with lists of phony names.

Blanc took the stand for his third and last day at the conspiracy trial of 11 U. S. communist leaders.

His testimony at one point forced Federal Judge Harold R. Medina to turn from the jury and bend over his bench to avoid chuckling openly.

Even some of the defendants smiled.

Blanc's testimony was interrupted in midday by a sudden attack of illness. He suffered a similar attack his first day in court last Friday. He said he had a chronic stomach ailment.

When he returned to the stand, Blanc said he was a trusted communist during five years in which he served the FBI as an undercover red agent.

**Man Tells Police He Married Seven Women In 10 Years**

Albany, N. Y., May 17—(AP)—A 33-year-old unemployed steeplejack was jailed today while police checked his story that he had married seven women in 10 years of travels from California to Michigan.

Albert C. Dubiski, who said he had no permanent address, was sentenced to 30 days in county jail on his plea of guilty to a charge of vagrancy.

He gave himself up to police yesterday. He named three women he claimed he had married. He also said that he had married "several others" whose names he could not remember.

He is not divorced, he said, from any of the wives he claimed to have married between 1935 and 1945.

He said his first wife was Thelma Irene Whit, now of Palm Springs, Calif. He said that he married her in Los Angeles in 1935 and that they had three children.

He said he next married the former Mary Mathis of Plainview, Tex., in Tucson, Ariz., in 1940, and that they had a son. He said he used the name Albert Charles.

After leaving Tucson, Dubiski, he went to Detroit and married a girl he met in a grill there. He said they lived together two days and could only remember her first name was Doris.

**PAVE THE LOOP THIS YEAR**

By recent approval of a public hearing, and Monday night by the introduction of an Ordinance in the City Council, the urgently needed repaving of the Loop District streets, has come a step nearer realization. Jacksonville, with all its beauty as a residential city, has for many years had an ugly spot in the heart of the city. The streets running from the corners of the square and those joining them one block in each direction from the square, have long been a source of irritation to people who use them, to the citizens of Jacksonville and to people who come here to trade as well as to the property owners.

Two years ago a plan to improve these streets was advanced but a number of property owners objected to widening the roadways at the expense of the sidewalks and the project was ordered revised by the City Council in order to overcome these objections. The plans as now approved at the public meeting, provide for completely new reinforced concrete pavements constructed in a manner calculated to stand up under modern traffic conditions for a great many years to come and also provide for sidewalks, and a modern system of storm sewers to properly drain the area. Anticipating improved business on these streets when the project is completed, boulevard light conduits will be placed in the new sidewalks in order that these walks will not have to be torn up later.

At the public meeting there were a few who questioned the need for such a complete repaving job and for the storm sewers, but a large majority of property owners approved the project as presented. Their position is fully sustained by the engineers of the City and also by those of the State of Illinois Division of Highways, which established minimum requirements for the project as a condition precedent to the use of Motor Fuel Tax Funds to help pay the cost.

Property owners on the streets are more fortunate today than they were in earlier years when substantially the full cost of such a local improvement would have fallen upon them. The businessmen and all other citizens interested in the advancement of Jacksonville and in its growth along modern city standards will surely give their whole hearted support to this program. The good to the business area and the community should be of primary importance.

The Jacksonville Journal Courier Company, which has corner properties on West Morgan and South West streets, is vitally interested in this development as a property owner. We join the great majority of other loop owners in endorsing the project and will gladly pay our fair share of its cost when assessed.

The project can be accomplished this year if we all get behind it. It has already been too long delayed.

**ISLAND OF ESCAPE** by Hugh Lawrence Nelson

COURTESY OF HUGH LAWRENCE NELSON. DISTRIBUTED BY MRS. SERVICE, INC.

**THE STORY:** Fred Stillwell, small movie producer, and three members of his company are shipwrecked on Spargue Island, where Henry Gough Harding is testing four women candidates for worth to become his bride and found a "New Eden" on the island. Learning that one of the candidates, Lily Warren, has been stealing liquor for Stillwell, Harding sends his store by his futuristic railway to the storehouse at beach level. Ben Cosgrove, sliding in the car, sees Lily in the car approaching her. Lily is dead shot through the head and in her lap in the automatic pistol. Ben had smuggled onto the island. On the sand of the beach is a single footprint, immediately destroyed by a wave.

XIV

THE noon sun was hot on the assembled Spargue Islanders. On the flat top of the veranda rail, Mabel sat with her arm around Mollie Stark's shoulders. Agnes and Nona McGuire whispered together, and George Bascombe and Fred Stillwell stared straight ahead without apparent consciousness of their surroundings.

At a table brought from the main room for the occasion, Harding wrote on a single sheet of paper, while Ben Cosgrove sharpened a pencil in preparation for duty as official Spargue Island court stenographer.

He finished his notes, looked up to face the row of people before him. He rapped gently on the table with a claw hammer from the toolroom. "Spargue Island Court is now in session," he intoned.

Ben poised her pencil over the blank notebook. The words transformed this sunny veranda into dingy, well remembered courtrooms. "We are here," Harding went on, "to inquire into the death of Mrs. Lily Warren. By force of circumstance, the proceedings and subsequent burial of the deceased must be expedited. This court, though informal, will be completely impartial in considering the facts. All present will consider themselves the jury. Now then, do any of you know anything of this unfortunate occurrence?"

Nona McGuire kicked her heels

**Jay-Cees To Treat Many Children To Day At Circus**

Monday, June 6, will be a real sawdust and spangles day for Jacksonville's needy youngsters. The Jay-Cee circus will be presented at the Hempel showgrounds on that day and boys and girls from homes and social agencies of the city and area will see it as guests.

They will attend the matinee performance June 6 through the cooperation of the Jay-Cees, the Mills Bros. Three Ring Circus which appears here on that day under the auspices of the Junior Chamber of Commerce, and various businessmen firms and groups who are becoming "circus caddies" for the day by sponsoring tickets.

The campaign to make it possible for these youngsters—boys and girls who otherwise would not have the chance to see a major three ring circus this year—to attend the Jay-Cee circus is now under way, under direction of the Jay-Cees.

Bill Ranson is general chairman of the Jay-Cee circus committee. Norbert Schindler is chairman of the committee in charge of selection of children to attend the circus.

The Jay-Cees receive a percentage of proceeds from sponsoring the Mills Bros. Three Ring Circus, Menagerie and Horse Show and will use their share for the Community Welfare fund. They receive the heaviest proceeds for this fund from tickets sold by members prior to circus day.

"We urge patrons to make their purchases early, and thus give the biggest boost possible to the Community Welfare fund," said Mr. Ranson.

Miss Porterfield comes to the G-E Freezer Cooking School from the General Electric Consumers Institute where she does research and preparation of the use and care books which accom-

**WIN  
THIS  
HOME  
FREEZER**

Get your G-E key at the school. If you have one of the lucky keys that will open the lock you will receive one of the 25 bags of assorted frozen food plus a chance to win the G-E Freezer.

During the demonstration, Miss Porterfield will prepare a complete meal—complete from the freezer to the range to the table in just thirty minutes.

The program will be filled with many new home-making suggestions that will enable housewives to spend less time in the kitchen.

Now is the time to learn new methods of preparing your home garden harvest for safe and long-time preservation. The program of the Cooking and Freezing School has been designed to demonstrate the fine art of cooking and freezing foods electrically and promises to be both informative and interesting.

Plan now to attend this great demonstration of food preparation. Whether you own a home freezer or not this program will be of great value to every home-maker in the community.

Come see the new General Electric Freezers and electrical appliances. There are no obligations and you have a chance to win the Home Freezer shown above.

**Admission is free and everyone welcome.**

## Two Waverly Boys Chosen To Attend Annual Boys State

Waverly—Waverly Post No. 262 American Legion, has chosen Deiber Mitchell, and the Lions club has chosen John Burnell to represent Waverly at Boys State to be held June 19 - 26 at the Illinois State fairgrounds in Springfield. The Boys State was originally sponsored only by the Illinois Department of the American Legion, but other organizations have been invited to send boys.

## Architect Appointed

J. Fletcher Lankton, Peoria architect was chosen at a meeting of the board of education held last week as architect for the new school building to be erected here. Mr. Lankton formerly of Waverly and a graduate of Waverly township high school in the class of 1921, now resides in Peoria.

## To Welcome Graduates

The Waverly high school alumni association will hold the alumni reunion for the class of 1949 on June 11.

This year the program will start with a smoker and tea at 3 p.m. at the high school. At 6:30 p.m., an alumni banquet will be held in the American Legion Memorial building. From 9 until 12:00 p.m. there will be dancing in the high school gymnasium.

Reservations for the banquet can be secured from William Maher at the postoffice.

## Five-Foot Shelf of Good Looks

A TOUCH on the handle—and a wide front door swings open on a prospect full of invitation.

There's a wheel that seems actually eager for the touch of your hand.

There's a broad 63-inch seat cushion, comfortably angled, soft and inviting, and only a hand's width narrower than a full-size parlor sofa.

There are narrower corner posts hardly wider than the space between your eyes, so plenty easy to see around—and there's a broad, sweeping, full-curved windshield spreading a horizon-wide view before your eyes.

There's a gas treadle that flicks into instant life the great power of a big, full-throated Fireball power plant. Under the wheel there can be a Dynaflo selector lever you set once and then forget through all your normal forward driving.

Dynaflo Drive is optional at extra cost on all Buick SUPER models, standard equipment on all ROADMASTERS.

And wrapping it all up in one stunningly beautiful picture of top-drawer travel is modern styling in the good Buick manner—sleek lines, bright chrome, the instant identification of gleaming Ventiports.

Here's five-feet-plus of deep-seated comfort—an outlook that brings the whole landscape indoors—handsome lines that draw admiring glances anywhere—what else is needed to settle your mind on this one?

Two things, probably. A little spin with yourself behind the wheel just to take this honey's measure. A look at the price tags and a bit of mental comparisons just to prove how big a buy it is.

For both you have only to see your Buick dealer—who will be pleased to demonstrate, pleased to talk price—and pleased to take your order for surprisingly early delivery.

*So fresh...so rich...so smooth and nice  
You'll never waste a single slice*

TABLE SETTING BY GEORGE JENSEN, INC.  
MARVEL BREAD BY JANE PARKER

Here's one of the most remarkable quality-value offers ever made by any bread in America: double your money back, if you don't agree that no other bread among America's 10 leading brands offers a fresher, finer, more nutritious bread, and better value, than quality-rich Marvel Bread. Only because quality-rich Marvel is made with certified fine ingredients... baked to perfection... rich

in nourishment... with tested-smooth texture, can A&P make such a liberal guarantee. Everybody wants fresher bread and quality-rich Marvel brings you dependable freshness... "dated" freshness. The date on every wrapper tells you it's guaranteed fresh. That's important, for when freshness fades, flavor fades. Today, buy Marvel—it's bread at its fine, fresh best!

## Strawns Crossing Woman's Club Has Regular Meeting

The Strawns Crossing Woman's club held its May meeting at the home Mrs. W. C. Thompson, with the president, Mrs. Clyde Trafton, presiding.

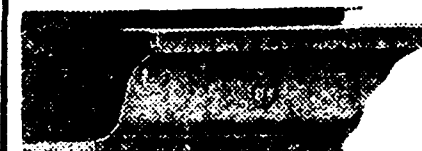

Prayer was offered by Mrs. Henry Meyer. The pledge was led by Mrs. Lora Brainer, Mrs. J. W. Rawlings and Mrs. Meyer. A report on the market sale was presented by Mrs. H. V. Stubblefield.

"Famous Mothers" was the topic for roll call. Mrs. Albert Standish presented a paper on "Martha Washington." The scrapbook committee named for 1949 is composed of Mrs. E. O. Cully, chairman, assisted by Mrs. Roy Newbery and Mrs. Tilman Stout.

Refreshments were served at the close of the meeting. Guests present were Mrs. Russell Thompson, Miss Frances Moy, Mrs. Jane Turnbaugh and Mrs. A. F. Koss.

The next meeting will be held May 24 with Mrs. Robert Hopper at her home northeast of Jacksonville. Mrs. Dorothy Corty will be guest speaker.

### THE OLD BARN

Remember when you used to play in the old barn? It was filled with more attractions than a modern garage could muster. What with playing hide and seek, jumping in the hay, climbing over the old buggy, hunting eggs, or feeding Dobbin, time never hung heavy on your hands. Remember?

## Lutheran Choir To Give Sacred Concert

The Lutheran A Cappella choir of Springfield, directed by Prof. Fred L. Precht of Concordia Theological Seminary, will present a concert of sacred music at Salem Lutheran church on Friday, May 20 at 8 p.m. Included in the 47 voice choir are students from the well known Concordia Seminary chorus, which has been acclaimed by the press in many large cities in the East and Midwest. Prof. Precht has been given wide recognition for his skillful interpretation, precise and painstaking yet delightful presentation of compositions by the masters of the early centuries as well as that of present day composers.

In this, its seventh concert season, the Lutheran A Cappella choir will present a program of varied sacred selections. Tchaikowsky's delightful "Cherubim Song," with its scintillating and majestic Hallelujah finale, will be heard as the opening number. Other numbers will include "If Ye Love Me," by Thomas Tallis; "Prayer," a Norwegian folk song, arranged by H. W. Monson and featuring a tenor solo with choir accompaniment, the Lutheran chorales, "Ah, Holy Jesus" arranged by M. Lundquist, "Praise the Father, Son, and Spirit," arranged by Lundquist, "How Bright Appears the Morning Star," and "Jesus, Priceless Treasure," harmonization by Bach.

Sung in crisp, staccato style, the choir will sing a Russian Easter Carol, by Andre Kopolyoff, "Alleluia, Christ is Risen," a Moravian folk song, "Hark Now, O Shepherds," arranged by M. Luvaas, the soft and gentle number "Hail Thou, King of Glory," by Norwegian composer Edward Grieg, and "Tenebrae Factae Sunt," a Latin number by the outstanding Venetian composer of the 17th century, G. Palestrina. The

## Alexander Church Holds Reception For New Members

Alexander — The Alexander Methodist church welcomed its new members with a dinner and program in the church basement. The event attracted a large attendance. The program consisted of musical numbers by Max Beerup, Donald Leadill, and Mary Jo Thompson and a travelogue in motion pictures by Mr. and Mrs. Wayne Kinnett taken while on a recent trip thru the west and Florida.

Mr. and Mrs. Lee Williams entertained at dinner Sunday honoring their daughter, Minnie, on her second birthday. Those present were Mr. and Mrs. Wesley Williams of Sinclair, Mr. and Mrs. Sam Dietz of Springfield, Mrs. Eva Pauline Green and daughters, Nancy and Gloria, of Riverton, Mr. and Mrs. Carl Malone and children, Robbie and Ellen, of Jacksonville, Pct. John Landis of Portland, Maine and Mrs. Althea Mayberry and daughter Evelyn of Alexander.

# Phillies Defeat Cardinals 5-4 In 12th Inning

St. Louis, May 17—(AP)—Singles by Eddie Waitkus, Del Ennis and Andy Seminick in the twelfth inning pushed over the run that gave the Philadelphia Phillies a 5 to 4 victory over the St. Louis Cardinals tonight.

Al Brazle went the route for the Cards and deserved a better fate. Shortstop Marty Marion, who had played errorless ball all season, made three bobbles tonight, two of which combined with a double by Willie Jones gave the Phillies two unearned runs in the sixth inning. Big Bill

Nicholson's sixth homer tied the score in the eighth and sent the game into overtime.

Ken Heintzelman started for the Phils and was a victim of bunched hits in the first two innings as the Cards took a three-run lead. Red Schoendienst, the National league's

batting leader, scored one run and tripled another as he added three more hits to his total.

Robin Roberts did a brilliant job of relief pitching to gain the decision. He relieved Ken Trinkle with the bases loaded and one out in

the ninth, made Enos Slaughter hit into a force out at the plate and retired Marion on a fly. He gave up one hit the rest of the way.

## Jacksonville, Greenfield Men To Spur Greater Government Efficiency

John T. Hackett of Walton & Company, recently elected president of the Illinois Fuel Merchants association, was named Tuesday to the Illinois Citizens committee which has been formed as part of a nation wide movement working for more efficient federal government.

## White Hall Class To Hear Address Sunday, May 29

White Hall—The baccalaureate services for the graduating class of the White Hall High School will be held the night of May 29 at the First Christian church. The pastor, the Rev. Elmer C. Johnston, will deliver the message on "The Way of Success" with Rev. Walter Wilson, pastor of the Presbyterian church, giving the invocation and benediction.

Rural life Sunday will be observed Sunday May 29 at the First Baptist church. Members of the 4-H club of the White Hall are being invited to attend with their leaders as guests. Each club has been asked to take a part in the program and the church will be decorated by one of the clubs in honor of the occasion. The pastor, Rev. Ben A. Bohn, will talk in connection with the goal of the 4-H clubs etc.

The Presbyterian Missionary society met in the church parlors on May 9. Devotions were given by Mrs. G. L. Rose, and a hymn was sung with Mrs. Henry Shirley accompanying on the piano. Roll call was answered by fourteen members with verses from First Timothy.

Mrs. Carroll Fanning gave the national topic which was in keeping with Family Week, her subject being "The Home and Family Relations." The foreign subject of "Panama Canal Zone" given by Mrs. Florence Chapin was most interesting. The pastor's wife, Mrs. Wilson and Mrs. Edward Roodhouse gave interesting reports on the Presbyterian meeting which they attended recently in Jerseyville.

Committee for refreshments was composed of Mrs. L. C. Smith, Miss Henrietta Gullette and Mrs. Claude Lowenstein.

The Good Luck 4-H club was organized recently, meeting at the Griswold Annex with several new members being enrolled. The club was divided into two groups. Senior group officers elected were: President, Doloras Suttles, Virginia Bohn, vice president; Dorcas Schroeder, secretary-treasurer, Jeanne Rex, reporter; Shirley Dawdy, program chairman; Mary Shultz, recreational chairman, and Joanne Williams, song leader.

For the junior group: President, Judith McCollister; vice president, Marie Cox; secretary-treasurer, Linda Lou Griffin; program chairman, Suzanne Griswold, and recreational chairman, Ann Knight. Carol Ann Davis and Shirley Shewmaker were delegates sent to the Greene County Federation. Mrs. Kenneth Davis is the leader of the Good Luck 4-H club.

## Waverly Rebekah Named President Of 20th District

Waverly—Miss Norma Scribner, of this city, was elected president of District No. 20, of the Rebekah assembly, at its 51st annual session held in Chatham last week. Miss Stella Rodgers, also of Waverly, was elected secretary.

Members of Waverly lodge No. 104 conducted the installation ceremony at the evening session, with Susie Burch as installing officer, and Eva McIntire as installing marshal. Marie Wiese was soloist, and Miss Catherine Sevier, musician.

## Phi Alpha Open Meeting Tuesday

Phi Alpha Literary society of Illinois College held its 104th annual open meeting Tuesday evening at 7:30 o'clock in Beecher hall on the I. C. campus.

The session was attended by about 173 guests and 60 members. Refreshments were served.

Featured on the program were Ken Gill and Fred Witekind, essayists; Don Gill and Dick Mills, declaimers; Dave Jackson, reader; Doug Gilchrist, orator, and Bob Elkin, extemporizer.

A skit, with Jack Corne as chairman, was also presented.

**DESERTION CHARGED BY HUSBAND IN COMPLAINT**  
Ewin Linton filed suit Tuesday against Helen Linton, asking a decree of divorce on grounds of alleged desertion. They were married Feb. 7, 1939, and separated Feb. 14, 1947. The plaintiff is represented by Andrew Ormiston, attorney.

**CORRECTION**  
Through typographical error the title of a suit docketed for trial May 24 in Morgan county circuit court was published incorrectly. The correct title of the suit is Thaddeus R. Skeer vs. John H. Steele, et al., not John H. Steele as was previously stated.

## Nullify Sentence Of Seabee Aid To Capt. Potter

Great Lakes, Ill., May 17.—(AP)—The court martial conviction of Lt. Commander William E. Johnson, Chicago, has been set aside, except for one specification, the Great Lakes Naval Training Center announced today.

Johnson was charged with holding a civilian job with the state of Illinois while in naval service.

The navy said the sentence was set aside by the judge advocate general's office in Washington. The one specification not set aside was not disclosed. Officials at Great Lakes said Johnson was given a letter of reprimand on the remaining specification.

In his trial, Johnson was accused of holding a civilian job as executive secretary of the Illinois state housing board and accepting \$6,169 in pay from the state while on full active service status with the navy. He was an aide to Capt. H. P. Potter of Jacksonville, Ill., who was similarly charged while heading the reserve program for the Seabees in the Ninth Naval district.

Capt. Potter's conviction on seven specifications was set aside by the judge advocate general.

The navy also announced that the court martial conviction and dishonorable discharge of Chief Petty Officer Claude Buckner, of the naval air station at Ottumwa, Ia., on charges of stealing a typewriter, was upheld by the judge advocate general.

## Spring Luncheon Held By Woman's Club At Alexander

Alexander—The Alexander Woman's club held its annual spring luncheon at the home of Mrs. Roy Davenport. The country home was decorated throughout with spring flowers. Luncheon was served from the dining table centered with a three group arrangement of white flowers.

After the luncheon the president, Mrs. Josephine Muckleston presided. A gift of flowers was presented to Mrs. William Walbaum eldest mother present.

Two county officers, Mrs. E. H. Sheppard, county president, and Mrs. Helen Drury, county secretary, were among the many guests. Mrs. Sheppard spoke briefly on club activities.

Mrs. Adelaide Zellar, program chairman, announced the following program: Miss Elizabeth Bender and Mrs. Emaline Examp, piano duet, "Minute by Mozart." Mrs. Ben Negus, a talk on modern poets and a group of poems by Emily Dickinson, Paul Sandburg, Grace Noll Crowell and Lew Saret. The program was concluded by a group of songs by Mrs. John Proffitt.

## Joint Meeting Held By Two Societies At Arenzville Home

Arenzville—Over 40 people attended a joint meeting of the Anna Garten and Women's Missionary societies Saturday at the country home of Mrs. George Musch.

A skit, "On India Lane," was presented by Mrs. Robert Hammer and Miss Phyllis Nordseik. Devotions were led by Mrs. Lawrence Winkelman. A book review was given by Mrs. Bertha Nichols of Springfield.

Mrs. John Clark conducted a contest, won by Miss Mary Louise Winkelman and Mrs. Frances Bealey. Refreshments were served.

## Vacation Workers Should Apply For Security Cards

Anticipating the annual June rush for social security numbers, H. J. Vasconcelles, manager of the Springfield District Social Security office urged all high school students who do not have social security cards and are planning to work during the summer to apply for their numbers without delay.

If a card has been lost it takes several days to locate the original number and this may cause inconvenience to both the student and new employer.

"Your employer will demand to see your card, not just a number written on a piece of paper or given from memory. There is too much chance for error unless the number is copied directly from the card," he said.

There is no age limit for the issuance of a social security card.

## Membership Drive Planned By Greene Co. Home Bureau

Carrollton—Mrs. Mary Ligon of the extension staff of the University of Illinois will be here Monday, May 23 to conduct a training school in organization work for the vice chairman of the Home Bureau units of the county and the members of their committees.

At the end of the school the committee members will assist all the Home Bureau members of the county in an intensive drive for the new members for the organization. The drive will continue through May 27, with a final report meeting May 28. The Home Bureau organization now numbers 235 members and an attempt is being made to raise the total membership to at least 400 by contacting as nearly as possible all homemakers in the county. The Home Bureau organization is an educational one and is open to all who desire membership.

## Jacksonville Navy Fireman Visits Sea Of Galilee

Forrest Lee Worrall, fireman, USN, of 626 Hardin avenue, Jacksonville, recently made a tour to Nazareth and the Sea of Galilee while serving aboard the destroyer USS Vogelgesang. The ship was anchored at Haifa, Israel, as a unit of the Sixth Task Fleet and Task Force 157, in the Mediterranean area.

The tour included the famous Church of the Annunciation, the Church of St. Joseph, built over the site of Joseph's old carpenter shop, the synagogue of Nazareth and the city of Tiberias on the shores of the Sea of Galilee.

Worrall, who entered the naval service June 26, 1948, received his recruit training at the Naval Training Center, Great Lakes, Ill. Before entering the navy, he attended Bluffs community high school.

## Dr. Shine Leader Of Discussion On Locke's Treatise

Dr. Hill Shine, professor of English at MacMurray College, was the leader for the discussion on John Locke's Second Treatise on Civil Government for the Great Books seminar at the Public Library on Monday evening.

Locke's Two Treatises of Civil Government were written in 1690 when Parliament had succeeded in ousting the last Stuart, James II, and in achieving its supremacy over the Crown. Writers in general agree that Locke was sincere in his convictions although he "built ideological fences around the interests of the landed aristocracy and the Parliamentary party whose favor he always enjoyed."

Dr. Victor Sheppard will be guest leader on Monday, June 6, when the discussion will be based on Rousseau's The Social Contract, Books I and II.
